New and Notable...

We have several exciting, new items now in the shop that I'd like to introduce to you this month!

Not into blood, guts and gore, but still want to “wow” the little boys who sit in your paint chair? Then this book is definitely for you! My latest book, “Painting Boys,” is now shipping and is currently **ONLY** available at Paintertainment.com! This great little resource is packed full with 24 fun and fresh boy designs that are sure to evoke great mirror moments with your male clients.

Have you heard about Global's new Fun Stroke sampler palettes? These are the coolest little palettes I've seen in a long time. Each of the two combinations comes with six popular Fun Stroke cakes. What better way to try your hand at one stroke painting techniques? At just \$33 for each set, they are an economical way to try out Global's line of Fun Strokes and one stroke techniques in general. These cakes are just as wide as the individual Fun Stroke cakes, just a little shorter in length, so you can still use your favorite one stroke brush with them.

Simply click on the images to the left for a direct link to these products in the shop. Be sure to check out the shop and follow us on Facebook to keep up to date on all of our new product additions!
